

For thousands of years humans have drawn spotted horses. It all began in the caves of Europe and ancient China. Today, these beautiful horses with spotted coats are called Appaloosas. They are popular for their bold and unique color patterns. The Appaloosa is the horse nature destined to be different.

Appaloosas are a favorite breed, chosen by many for their versatility as a riding horse. Whether you ride an Appaloosa on the trails, in the show arena, or to chase cattle, the Appaloosa is a talented companion. The Appaloosa offers more of what you want and everything you need.

This coloring and activity book is for you and everyone who loves a colorful Appaloosa.
