

Appaloosa Youth Foundation

Territory Scholarship Application Information

The Appaloosa Youth Foundation awards scholarships to outstanding youth members of the Appaloosa Horse Club or Appaloosa Youth Association wishing to pursue higher education. Scholarships are awarded annually, with the entire amount paid to the financial office of the college or university the student will be attending. The entire award is paid at the beginning of the student's first semester; is non-transferable from the recipient; and must be used within one year. Each applicant may only apply for one of the three scholarships available, Territory, Continuing or Sagebrush Circuit.

Completed applications must be received in the ApHC office no later than March 20.

Territory Scholarship

The territory scholarship awards up to \$1,000 to one graduating senior in each of the six territories. "At-Large" scholarships may also be awarded, at random, in the category.

Eligibility

Each applicant must be a current member of the Appaloosa Horse Club or the Appaloosa Youth Association to be eligible to apply for an Appaloosa Youth Foundation scholarship. Students who are in the immediate family of an employee, representative, or national director of the ApHC or the AYF are not eligible to apply.

Criteria

Each application is carefully reviewed by a qualified panel of educators selected by the Appaloosa Youth Foundation. Scores based upon scholastic aptitude, leadership potential, the ability to communicate community and civic responsibilities, financial need content, and presentation. Evidence of involvement in the Appaloosa industry, along with general knowledge of and accomplishments in horsemanship are also considered. Scoring is done in the following categories:

- *Scholastic Achievements
- *Presentations and following all instructions
- *Essay
- *Demonstrated financial need
- *Extra-curricular and civic activities

Because of the degree of completion and difficulty of acquired skills that are represented, it is to each applicant's advantage to submit a neat, readable, timely and informative application adhering the rules and specifications of the application.

The AYF reserves the right to vary the number of scholarships awarded based upon the quality of entries as scored by the judges and the funds available
